NC Certified organic acreage with no reference county

NT Transitional acreage with no reference county

Note: For Revenue Assurance (RA) only written agreement for "rate" is allowed. Crop/type/practice must be offered in the state and county of insurance, no reference state/county. Valid written agreement types are "33, HR and RL" and written agreement processing flags are "3 and R". The rate is used for the APH part of the RA calculation and the RSO should NOT issue a written agreement for actual RA rate.
