All Other Interested Parties

FROM: Tim B. Witt /s/Rodger M. Matthews, for  
Deputy Administrator

SUBJECT: Corrected - 2008 Crop Year Group Risk Plan Payment Yields for  
Rangeland

**BACKGROUND**

On April 29, 2009, PM-09-021 was issued releasing the approved Group Risk Plan Payment Yields for Rangeland. Subsequent to that release and after further review and analysis of available data, the National Agricultural Statistics Service (NASS) has provided the Risk Management Agency a correction to the county estimates used to determine payment yields in Wyoming. This results in a reduced payment yield for Platte County.

**ACTION**

The Group Risk Plan Payment Yield for Rangeland in Platte County, Wyoming has been corrected, resulting in changes to the calculated payment factors used for determining indemnities. This payment yield has been incorporated into the Actuarial Data Master and will be available by close of business today on the Risk Management Agency website at: [www.rma.usda.gov/data/grpfinal/](http://www.rma.usda.gov/data/grpfinal/)

**DISPOSAL DATE**

This Informational Memorandum is for the purpose of transmitting information and the expiration date is December 31, 2010.
