INFORMATIONAL MEMORANDUM: PM-12-024.1

TO: All Approved Insurance Providers
All Risk Management Agency Field Offices
All Other Interested Parties

FROM: Tim B. Witt /s/ *Tim B. Witt*
Deputy Administrator

SUBJECT: Corrected - Commodity Exchange Price Provisions for the 2013 and
Subsequent Crop Years

BACKGROUND:

On June 28, 2012, PM-12-024 was issued announcing expanded coverage for canola into North Carolina and Virginia for the 2013 and subsequent crop years. The inclusion of Virginia in the release memo was in error. Virginia was not included in the actuarial document release and coverage is not available.

For this reason, RMA has issued a corrected Commodity Exchange Price Provisions (CEPP) Section II: Canola.

ACTION:

All CEPP documents, *except Section II: Canola*, are carried over from last year and are applicable for the 2013 and subsequent crop years. We will post the corrected CEPP Section II: Canola on the RMA Website at <http://www.rma.usda.gov/policies/CEPP.html> by close of business today.
