**INFORMATIONAL MEMORANDUM: PM-16-021**

**TO:** All Approved Insurance Providers  
All Risk Management Agency Field Offices  
All Other Interested Parties

**FROM:** Thomas W. Worth /s/Thomas W. Worth  
Acting Deputy Administrator

**SUBJECT:** 2015 Crop Year Area Risk Protection Insurance (ARPI) and Supplemental Coverage Option (SCO) Final County Yields and Final County Revenues for Corn, Grain Sorghum, Rice, and Soybeans

2015 Crop Year Area Risk Protection Insurance (ARPI) Final County Yields and Final County Revenues for Popcorn

2015 Crop Year Supplemental Coverage Option (SCO) Final County Yields and Final County Revenues for Barley

In accordance with Section 3 of the ARPI Crop Provisions and Section 10 of the SCO Crop Provisions, approved final county yields and final county revenues for 2015 crop year will be available by close of business today in the following formats:

- Actuarial Information Browser (AIB) online reporting application:  
<http://webapp.rma.usda.gov/apps/actuarialinformationbrowser2015>
- Actuarial Data Master (ADM) bulk data file download:  
[http://www.rma.usda.gov/FTP/References/actuarial\\_data\\_master/2015](http://www.rma.usda.gov/FTP/References/actuarial_data_master/2015)
- Summary listing:  
[http://www.rma.usda.gov/FTP/Miscellaneous\\_Files/Area\\_Yield\\_Data/Final\\_Yields](http://www.rma.usda.gov/FTP/Miscellaneous_Files/Area_Yield_Data/Final_Yields)

In some situations, the National Agricultural Statistics Service (NASS) was unable to publish a county estimate on the same basis as the offer available. Where NASS was unable to publish a county estimate, Risk Management Agency (RMA) determined the final county yield in accordance with the ARPI and SCO basic provisions. The attachment identifies the RMA basis for final county yield determination in the affected counties with policies.

**DISPOSAL DATE**

December 31, 2016

**INFORMATIONAL MEMORANDUM: PM-16-021 ATTACHMENT**

**Crop Year 2015 SCO RMA Determined Final County Yields**

### Description of RMA Determinations (Includes information reported to RMA as of April 11, 2015)

**Total for Crop / Planted Yield** - calculated as the acre-weighted average of 2015 yields reported to RMA as actual yields by crop insurance program participants in the county.

**Irrigated / Planted Yield** - calculated as the acre-weighted average of 2015 irrigated yields reported to RMA as actual yields by crop insurance program participants in the county.

**Non-Irrigated / Planted Yield** - calculated as the acre-weighted average of 2015 non-irrigated yields reported to RMA as actual yields by crop insurance program participants in the county.

**Total for Crop / Harvested Yield** - calculated as the acre-weighted average of non-zero 2015 yields reported to RMA as actual yields by crop insurance program participants in the county. If a participant was found to have un-harvested acreage claim(s) in 2015, acreage from these claims was not included.

**Irrigated / Harvested Yield** - calculated as the acre-weighted average of non-zero 2015 irrigated yields reported to RMA as actual yields by crop insurance program participants in the county. If a participant was found to have un-harvested acreage claim(s) in 2015, acreage from these claims was not included.

## **INFORMATIONAL MEMORANDUM: PM-16-021 ATTACHMENT**

**Non-Irrigated / Harvested Yield** - calculated as the acre-weighted average of non-zero 2015 non-irrigated yields reported to RMA as actual yields by crop insurance program participants in the county. If a participant was found to have un-harvested acreage claim(s) in 2015, acreage from these claims was not included.
