## **Important Crop Insurance Deadline Nears in Georgia**

*Fresh Market Sweet Corn Growers Need to Make Decisions Soon*

VALDOSTA, Ga., July 13, 2015 — USDA's Risk Management Agency (RMA) reminds growers of the July 31 deadline to purchase crop insurance in Georgia. This applies to crop insurance policies for fresh market sweet corn in Decatur, Grady, and Mitchell counties. Growers need to buy, review, or modify their crop insurance policies before the sales closing date has passed. Crop insurance provides protection against crop production losses due to natural perils such as drought, hail, and excessive moisture.

A list of crop insurance agents is available at all USDA Service Centers and online at the RMA [Agent Locator](#). Growers can use the RMA [Cost Estimator](#) to get a premium amount estimate of their insurance needs online. Learn more about crop insurance and the modern farm safety net at [www.rma.usda.gov](http://www.rma.usda.gov).
