---

### **PROGRAM EXPANSION:**

- Wheat expanded into Itasca County.

### **PROGRAM DELETIONS:** None

### **DATES:**

- Final Planting Date reviews completed for corn, dry beans, flax, oats, processing beans, soybeans, sugar beets and wheat.
  - Changed the Final Planting Date for ARPI grain corn to 6/25 to match the End of Late Planting Period Date for the Yield Protection (YP) corn plan.
  - Changed the Final Planting Date for ARPI seed corn to 6/19 to match the End of Late Planting Period Date for Hybrid Corn Seed in the following counties.

### **RATES:**

- Rate reviews completed with new target rates established for dry beans, flax, forage seeding, oats, processing beans, soybeans, sugar beets, and wheat.
- Some rates for other crops may have changed due to rates moving toward previously established target rates.
- Yield Cup option added.

### **STATEMENTS:**

- Added corn statement: In lieu of Section 5(b)(2) of the Coarse Grains Crop Provisions, purple and pink hybrid corn varieties may be insurable by written agreement.
- Sugar beets: Increased the maximum amount of the replanting payment per acre to \$110.00, multiplied by the insured share.
- Updated quality statement for soybeans to add Fumonisin.

### **TYPES/PRACTICES:** no changes

### **T-YIELDS:**

- T-yields reviewed and updated for dry beans, flax, oats, processing beans, soybeans, sugar beets and wheat.
- Some T-yields for other crops may have changed due to T-yields moving toward previously established target T-yields.

### **MAPS:** no changes

### **OTHER:**

- The prevented planting coverage level percentage for canola changed from 60 percent to 55 percent.
- The prevented planting coverage level percentage for hybrid seed corn changed from 50 percent to 45 percent.
- The Prevented Planting +10 Percent Option (PT) has been removed for all crops.
- 2016 added as eligible Yield Exclusion year for Potatoes and Oats in select counties.
- The Supplemental Coverage Option (SCO) and Yield Exclusion (YE) option availability and updates can be tracked on the following link will show all counties and crops with SCO and YE eligible years:
