 Acreage Reporting Date ..... July 15, 2016

### Reporting Requirements

### Definitions

**Certified Seed** - Potatoes that were entered into the potato certified seed program and that meet all requirements for production to be used to produce a seed crop for the next crop year or potato crop for harvest for commercial uses in the next crop year.

**Production Guarantee** - Hundredweight (cwt.) guaranteed per acre determined by multiplying your average approved yield per acre (based on your records) by the coverage level percentage you select.

### Coverage Levels and Premium Subsidies

Coverage levels range from 50 to 85 percent of your average yield and are subsidized as shown below. For example, an average actual production history (APH) yield of 240 hundredweight per acre results in a guarantee of 120 hundredweight per acre at the 50-percent coverage level.

Item	Percent							
Coverage Level	50	55	60	65	70	75	80	85
Premium Subsidy	67	64	64	59	59	55	48	38
Your Premium Share	33	36	36	41	41	45	52	62

Catastrophic Risk Protection (CAT) coverage is fixed at 50 percent of your average yield and 55 percent of the price election. The cost for CAT coverage is an administrative fee of \$300.

### Price Elections

Established Price ..... \$12.40 per cwt.  
 CAT Price ..... \$6.82 per cwt.

### Insurance Units

Basic and optional farm unit structures are available for potato program counties. Premium discounts apply to basic farm units.

### Yield Exclusion

APH Yield Exclusion (YE) is available in some potato counties. YE allows you to exclude yields in exceptionally bad years from your production history when calculating yields used to establish your crop insurance coverage.

### Loss Example

Assume potatoes with an APH yield of 240 hundredweight per acre, 65-percent coverage level, non-irrigated practice, 100-percent share, no options or endorsements, and a one-acre basic unit.

240	APH yield per acre
x 0.65	Coverage level
156	Acre guarantee
- 48	Production-to-count
108	Loss per acre
x \$12.40	Price election
<b>\$1,339</b>	<b>Indemnity per acre</b>
