LIVESTOCK RISK PROTECTION (LRP) HANDBOOK

2008 and Succeeding Crop Years
Handbook Number: 20010
I. Form Standards

(1) The entry items are the minimum form requirements. Form standards provided are considered "Substantive" (i.e., they are required) unless otherwise noted as Non-Substantive.

(2) The completion instructions for the required entry items on the various forms in the following subsections are "Substantive" (i.e., they are required).

(3) The Privacy Act and Nondiscrimination statements are required statements that must be printed on the form or provided as a separate document. These statements are not shown in the illustrations in this handbook (If these statements are provided as separate documents, one set must be signed by the insured and kept by the agent, and one must be provided to the insured).

(5) A certification statement is required by the 2007 Document and Supplemental Standards Handbook (FCIC 24040) (DSSH) issued November 2006 and must be included on the form directly above the insured's signature block. When the certification statement is required on the AGR form it will be shown in the instructions for the form.

(6) Refer to the 2007 Document and Supplemental Standards Handbook (FCIC 24040) (DSSH) issued November 2006 for other crop insurance form requirements (e.g., point size of font, etc).

II. Forms

The following forms will be necessary for sales of the Livestock Risk Protection Plan of Insurance:

(1) Application- Information necessary to apply for eligibility to purchase LRP insurance. The application may be filled out prior to any Specific Coverage Endorsements, however, no insurance coverage attaches until information on the Specific Coverage Endorsement is provided in conjunction with an approved application. One application is filled out for each operation, as long as the Substantial Beneficial Interests are the same.

(2) Substantial Beneficial Interest (SBI)-The information needed are social security numbers, employer identification numbers, and share of those with a 10 percent interest or more in the insurance entity and must accompany the application. The SBI is used to establish eligibility and to account for insurance limits.

(3) Specific Coverage Endorsement (SCE) Form- Information needed to attach coverage to the policy. An approval number must be obtained through the website to show
that underwriting capacity is available. Multiple SCE’s, for multiple classes of livestock or livestock products, may be written under one application as long as the SBI’s are the same. Only approved agents and companies participating in the Livestock Price Reinsurance Agreement may obtain approval numbers.

(4) Assignment of Indemnity- Information necessary to assign any indemnity to a third party.

(5) Transfer of Right to Indemnity- Information necessary if the livestock or livestock product is sold prior to the end of insurance period to transfer any indemnity to the new owner (providing the new owner meets eligibility requirements).

(6) Claim-If the ending price, as specified in the Specific Coverage Endorsement, is below the coverage price level, this form must be completed and sent to the company within 60 days following the end date. An indemnity payment will be made within 60 days of receipt of the claim form.

The following illustrations pertain to information the producer must provide to the approved insurance provider to obtain coverage under LRP. Instructions must be provided for form completion.
