INFORMATIONAL MEMORANDUM

TO: All Reinsured Companies
All Other Interested Parties

FROM: E. Heyward Baker /s/ **E. Heyward Baker**
Director

SUBJECT: Manual 14 Compliance Crop Insurance Contract Review Selections

The closure of the Washington, D.C. Federal government this week due to the winter storm has caused a significant delay in completing the stratified samples for the compliance contract review selections required in Manual 14, Section C (3) (a). As referenced in our January 4, 2000, memo, this is to provide you notice that the Risk Management Agency will not meet the February 1st deadline for providing the compliance crop insurance contract review selections to the reinsured companies. We will make every effort to provide the selections to you as soon as possible. The cover letter which will accompany the selections will provide the extended time frame for completing the reviews and the deadline for submitting the Annual Summary Report to Compliance.

If you have any questions please feel free to contact your Account Executive.

DISPOSAL DATE: This informational memorandum is for the purpose of updating information and the disposal date is December 31, 2000.
