On December 4, 1998, the Secretary of Agriculture held a press conference to inform the public on the Department's progress in addressing Civil Rights Complaints. During this conference he announced how the Statute of Limitations Waiver Process would work, allowing some people who had complained of discrimination by USDA in the past to be compensated.

RMA has been asked to distribute this Fact Sheet to ensure that everyone who could benefit from this waiver gets this information. Please assist us by distributing it to your staff, agents, and to anyone else with whom it may interest. Thank you.
