

**UNITED STATES DEPARTMENT OF AGRICULTURE
Federal Crop Insurance Corporation
SUGAR BEET CROP INSURANCE
PILOT STAGE REMOVAL OPTION**

In return for payment of the additional premium designated in the actuarial documents, this option is attached to and made part of your Sugar Beet Crop Provisions subject to the terms and conditions described herein. In the event of a conflict between the Sugar Beet Crop Provisions and this option, this option will control. In the event of a conflict between this option and the Special Provisions, the Special Provisions will control.

1. **Applicability**
 - (a) You must have completed an application and have the Basic Provisions and the Sugar Beet Crop Provisions in force with additional coverage before you may elect this option.
 - (b) You must elect this option in writing on or before the sales closing date for the first year it is in effect. It will remain in effect for each subsequent crop year until such time as you or we cancel it in accordance with the Common Crop Insurance Policy Basic Provisions (Basic Provisions) and the Sugar Beet Crop Provisions. Your election of the Catastrophic Risk Protection Endorsement for your sugar beets in any crop year will be deemed to be cancellation of this option by you.
 - (c) All insurable acreage of sugar beets in the county will be included under this option unless any acreage is specifically excluded by the Special Provisions.
2. **Definitions**
Production guarantee (per acre) – In lieu of the definition contained in section 1 of the Sugar Beet Crop Provisions, your production guarantee (per acre) under this option is the number of tons determined by multiplying the approved yield per acre by the coverage level percentage you elect.
3. **Insurance Guarantees**
The terms and conditions contained in sections 3(b) and 3(d) of the Sugar Beet Crop Provisions do not apply under this option.
4. **Annual Premium**
In lieu of the premium computation method contained in section 6 (Annual Premium) of the Sugar Beet Crop Provisions, the annual premium amount is computed by multiplying the production guarantee by the price election, the premium rate, the insured acreage, your share at the time of planting, and any applicable premium adjustment factors contained in the actuarial documents.
5. **Replanting Payments**
 - (a) In lieu of the provisions contained in section 11(a) of the Sugar Beet Crop Provisions, a replant payment is allowed if the crop is damaged by an insurable cause of loss to the extent that the remaining stand will not produce at least 90 percent (90%) of the production guarantee for the acreage and it is practical to replant.
 - (b) In lieu of the provisions contained in section 11(b) of the Sugar Beet Crop Provisions, the maximum amount of the replanting payment per acre will be the lesser of 10 percent (10%) of the production guarantee or one ton, multiplied by your price election, multiplied by your insured share.
6. **Settlement of Claim**
 - (a) The “respective production guarantee” referenced in section 13(b) of the Sugar Beet Crop Provisions will be your production guarantee.
 - (b) The terms and conditions of section 13(c)(1)(iv) of the Sugar Beet Crop Provisions do not apply under this option.
7. **Written Agreements**
In lieu of any other provisions of this contract, including but not limited to section 18 of the Basic Provisions, no written agreements may be authorized to modify any terms of this option or to extend coverage under this option to any county for which actuarial documents are not filed.
